

ST. JOSEPH INTERNATIONAL SCHOOL (CBSE)
PERUNCHOOR, SALEM-636138
JULY 2024 NEWS LETTER

Principal Message

Education play important role in enabling a person to the real life situation with adequate knowledge. School is a temple of leaning and in DFT schools Academy we are making our best effort to give quality education to our students.

It is only after leaving school that one really appreciates the feeling of having belonged to school. This general feeling of “belonging”, of being wanted is so necessary to our happiness; but here at school now we seem to take it so much for granted, whether we are a part of sports team, or class or club, or; yes, even part of DFT Schools Family. Just as every pupil gains something from school, so he or she gives something in return either good or bad depending on the giver. See that what you give to the school is worth giving work hard, play hard, play hard, give your best at all times do nothing which will harm your school’s good name and your parents’ as well.

Establish your school in your hearts and in your minds as something of which you can really be proud.

Some people believe, and develop a plan;
Some people doubt, never think that they can;
Some people face hurdles and give it their best;
Some people back down when faced with a test.
We all have a choice, we all have a say;
We are spectators in life, or we get in and play;
Whichever choose how we handle life’s game?
The choices are ours; no one else is to blame.

At DFT School, it is our mission to provide each student an exemplary educational experience with an international perspective. DFT School campus is recognized for their hallmark initiatives in educational excellence, environment conservation, peace and value-based education, and community integration. Our students will receive a broad exposure through participation in diverse school activities and external programs, offering fruitful opportunities for learning and overall personality development. Students, who attend DFT School, can compete successfully with the best students in the world.

Kindly accept my personal invitation to join us as we groom our students for the future.
